

**PUBLIC NOTICE:
NOTICE OF PUBLIC HEARING**

Please take notice that Stephen Kirkland and Theodora Martin, joint owners of Bustins Island Lots A30, A32, A36, and A37, are requesting authorization from the Bustins Island Village Corporation (BIVC) Board of Overseers for certain proposed activities located on Shore Reserve land owned or otherwise controlled by BIVC. If permission is granted by the Board of Overseers, permitting through the Planning Board and Maine Department of Environmental Protection will also be necessary.

Specifically, Ms. Martin and Mr. Kirkland propose to stabilize the toe of two sections of actively eroding shoreline immediately adjacent to their property, and to construct a seasonal ramp and float to provide safe and reasonable water access. They request authorization to conduct these activities on the Shore Reserve.

The BIVC Board of Overseers will consider this matter at an online public hearing on June 13, 2020, at 11:00 a.m., via ZOOM video conferencing/meeting link (<https://zoom.us/join>). Interested parties may attend or otherwise participate in the public hearing on this matter by joining the online public hearing as directed in the "Announcements" section, or as otherwise described on the BIVC website, www.BIVC.net.
