## **Notification from the Overseers and the Superintendent**

There will be a large trash pick-up on Bustins Island August 18 through August 28, 2017. Items to be picked up should be placed next to the road in front of your cottage.

*Please note the following:*

- No refrigerators
- No batteries
- No contractor debris
- No hazardous materials, i.e. gas, paint, old cleaners, oil
- Misc. Engines must be drained of oil and gas
- Large items should be cut into 3 foot sections when technically feasible
- 1 mattress and box spring per cottage
- All broken glass must be in an open plastic container.
- Cover items that absorb water or break down in the rain with a tarp (such as mattresses or cardboard boxes).

Each cottage is allowed 2 cubic yards (approximately 4 wheel barrows) of large trash. If you want to discard more than that, you will be asked to pay an excess trash fee of \$50 per additional cubic yard to the Bustins Island Village Corporation, PO Box 22, South Freeport, ME 04078.

**Decisions whether or not to take any particular item will be at the discretion of the superintendent!**
