Dear Islanders,

The Boat Advisory Committee (BAC) has been working hard to get everything lined up for the 2022 season. They're very happy to report that Painter Soule is returning as our Managing Captain and in many respects things are returning to "normal" with some new updates. Please make sure to pay special attention to their comments regarding strict adherence to scheduled departure times.

- The Lilly B is returning with a schedule similar to 2019, with a couple of additional 1:00 PM runs from South Freeport. Departures will be on the scheduled hour from South Freeport and 40 minutes past the scheduled hour from Bustins, with the exception being Friday nights from Bustins at 7:30 PM.
- It is imperative that the Lilly B stays on schedule. All passengers must arrive punctually for their planned trip. **No exceptions.** We recommend arriving at least 15 minutes ahead of your planned departure to allow time to park and load your gear onto the Lilly B.
- Passengers are asked to adhere to all safety precautions related to staying off the dock both at Bustins and in South Freeport as the Lilly B prepares to land.
- The XOLA reservations system will remain in place for those who wish to purchase tickets and reserve a seat in advance. Reservations must be made at least 15 minutes ahead of departure time and can be canceled for a full refund up to one hour prior to the departure time. Reservations can be made at [bivc.net](http://bivc.net)--click on Ferry Reservations.
- Passengers will be able to pay their fare on board without a reservation, subject to availability.
- Payment must be in the form of credit or debit card. No cash please.
- Ticket books will be offered again and must be purchased on the Lilly B. There will be books of 10 for both adults and children 12 and under.
- Same day round trip "excursion" fares to and from Bustins will be offered again and must be purchased on the Lilly B. Excursion tickets are for same day travel only.
- See the 2022 schedule for more details, times, and rates.
