Any action to authorize any incurrence of indebtedness for borrowed money shall require the affirmative vote of at least two-thirds of those voting thereon. In addition, if any such action is being considered at a meeting other than an annual meeting, the vote required for the taking of such action shall be at least three-quarters of the number of legal voters present and voting.

No amendment of this Article XXII may be made except upon the same notice, vote and quorum as would be required to authorize any incurrence of indebtedness for borrowed money.

The requirements of this Article XXII shall be in addition to any other requirements imposed by these By-Laws, the corporation's charter or applicable law.

Article XXIII

SPECIAL REQUIREMENTS IN RESPECT OF DISBURSEMENTS FROM THE CASCO FUND

No disbursement shall be made from the CASCO Fund except as authorized at a meeting of the BIVC. Any action at any meeting of the BIVC to authorize any disbursement from the fund established to provide monies to cover (to the extent available) catastrophes and special capital outlays (the "CASCO Fund") shall require the affirmative vote of at least two thirds of votes cast.

Notwithstanding the foregoing, during periods between Annual Meetings of the BIVC the Board of Overseers may approve disbursements from the CASCO Fund without the vote called for by the preceding paragraph if the Board determines that as a result of unforeseen emergencies disbursements from the CASCO Fund are essential to the preservation of the BIVC properties or facilities or the welfare of the Island because substantially all other BIVC reserves have been depleted or irrevocably committed and the BIVC has no other available funds. The types of unforeseen emergencies contemplated hereby are those that may arise, for example, by reason of storm, fire, or other natural disasters, regulatory matters or legal proceedings. Whenever any disbursements are authorized by the Board of Overseers pursuant to the authority granted by this paragraph, the Board shall make a report of the amounts of such disbursements and the circumstances giving rise thereto at the next Annual Meeting of the BIVC and propose a plan to the voters for replacement of such amounts in the CASCO Fund.

No amendment of this article may be made except upon the same vote as would be required to authorize a disbursement from the CASCO Fund as provided in the first paragraph hereof.

ARTICLE XXIV

DEFENSE AND INDEMNIFICATION OF ELECTED AND APPOINTED BIVC OFFICIALS AND EMPLOYEES

The Board of Overseers shall in all cases provide competent

legal counsel to defend the BIVC, any of its boards and committees, any Overseer, officer, employee or the member of any BIVC board or committee who is a party or is threatened to be made a party to any threatened, pending or contemplated action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that said person is or was an Overseer, officer, employee, board member or committee member of the BIVC, and shall pay or indemnify such Overseer, officer, employee, board member or committee member as against all expenses, fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding, subject to the following:

(a) Exceptions. Nothing herein shall be construed to require the BIVC to provide or pay for legal counsel or such indemnification for any Overseer, officer, employee, board member or committee member in the following situations:

(1) In civil matters, where the Overseer, officer, employee, board member or committee member is the plaintiff or moving party; or where it shall be finally adjudicated in any action, suit or proceeding that said Overseer, officer, employee, board member or committee member shall not have acted in good faith and in the reasonable belief that his or her action was in the best interest of the BIVC; or

(2) In criminal matters, where the Overseer, officer, employee, board member or committee member is the complaining party, or had reasonable cause to believe that such conduct was unlawful. Termination of any action, suit or proceeding by judgment, order or conviction adverse to such person, or by settlement, or by plea of *nolo contendere* or its equivalent, shall not of itself create a presumption that such person did not act in good faith and in the reasonable belief that his or her action was in the best interests of the BIVC, nor, with respect to any criminal action or proceeding, that such person had reasonable cause to believe that his or her conduct was unlawful.

(b) Other legal counsel. Nothing herein shall be construed to prohibit any such Overseer, officer, employee, board member or committee member from seeking additional legal counsel at his or her own expense. However, nothing herein shall be construed as to require the BIVC to pay any fees or other expenses incurred as a result of employment of such additional legal counsel.

(c) Other rights. The rights provided for in this Article XXIV shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any state statute or other ordinance, agreement or policy of the BIVC.
