Pursuant to Section 9 of the Bustins Island Village Corporation enabling act of 1913 as subsequently amended, Article VI of the Bustins Island Village Corporation (BIVC) By-Laws and with consideration of the opinion of corporation counsel dated April 30, 2011 the Board of Overseers adopts the following voting policy:

1. Persons entitled to vote shall be the natural persons who own a lot of land either directly or as trustees in a trust. Non-natural persons such as corporations, limited liability companies (LLCs) and partnerships of any type, are not entitled to vote.
2. Lots and voting.
 - a. To be entitled to a vote, a lot of land must be a numbered lot conforming to the provisions of the Bustins Island Zoning Ordinance and shown on the current Zoning Map of Bustins Island or a pre-existing, non-conforming lot shown on the Zoning Map of Bustins Island dated September 1, 1975
 - b. Except as may otherwise be expressly provided below, no one shall be deprived of a vote, properly held at present, solely because of the adoption of these rules.
 - c. Henceforth only new lots that conform to the Zoning Ordinance lot size minimum for their district shall carry a vote.
 - d. All numbered lots shown on the original September 1, 1975 zoning map shall be entitled to a vote no matter their size.
 - e. Any unnumbered parcel described separately by metes and bounds in a deed recorded in the Cumberland County Registry of Deeds prior to September 1, 1975 shall be entitled to a vote.
 - f. When numbered lots shown on the September 1, 1975 map have had portions donated to the BIVC for any reason, the portion retained by the owner shall continue to carry the vote no matter the size. Any property conveyed by the BIVC to others does not carry a vote unless expressly provided. No slivers created at any time during the streets acceptance program shall carry a vote.
 - g. Parcels formed by the division and/or merger of all or a portion of numbered or separately described and recorded lots shown on the 1975 map shall carry no more votes than the same group would have carried before the division or merger except that each parcel so formed that conforms to the ordinance for minimum lot size shall carry a vote, and any non-conforming parcel shall not carry a vote if that would bring the total votes to more than the total prior to the division or merger. In no case, shall an individual have more than one vote.
