Important news for Maine Island Energy customers

Dear valued customer,

We are writing to share upcoming changes regarding your account with Maine Island Energy. Effective on April 9th, 2021, your propane, heating oil and kerosene will be supplied by Vinal Energy.

What does this transition mean for you?

Please be assured that this change will not affect your current level of service.

Jay Soule and Pete Pellerin will still be providing the quality service you have grown to expect. You will start to see Vinal Energy on your invoices and statements. If you have any questions, please reach out to the team at Vinal Energy at (207) 613-7460.

A little about Vinal Energy:

Maine Island Energy chose Vinal Energy for this transition after very careful consideration, as we wanted a partner who shares the same values and dedication to customer service.

Vinal Energy is the largest island-based, full-service fuel dealer in Maine. Their employees are dedicated to serving the island communities 24 hours per day, 365 days per year. Their experience and resources position them to support your home heating needs.

We are very confident that this will be a seamless transition for you and we will work with Vinal Energy to make sure that you receive the same level of service you have come to expect from Maine Island Energy.

We want to thank you for your loyalty. It has been a pleasure to serve you. If you have any questions, please contact Vinal Energy.

Sincerely,

Pete Pellerin
Maine Island Energy
