Serving the islands of Casco Bay

Happy Spring, Bustins Islanders!

The team at Maine Island Energy is grateful to be returning to Bustins Island for the 2018 season.

We look forward to beginning deliveries the first week of May. Please call our office at (207) 808-3222 or email office@maineislandenergy.com to arrange delivery.

Due to a rise in fuel and transportation costs, the price for a 100lbs propane tank has increased by \$15. The cost to deliver a 100lbs tank is now \$200.

We will continue to upgrade systems as necessary with your safety in mind. Upgrades may include new bases, regulators, and new lines. If you would like a safety assessment, please call (207) 808-3222 or email office@maineislandenergy.com.

As usual, we'd love to make sure all of your accounts are up-to-date and ready to go for the season. Many of you have already signed up for AUTOPAY and have enjoyed the convenience of this easy payment method. Going forward, AUTOPAY is a requirement for delivery. Alternatively, a check or cash may be paid upon delivery. All deliveries *must* be paid at the time of delivery. Also, as your credit cards may have expired or changed, please call us with new card information.

Thank you! We look forward to seeing you soon.

Sincerely,

The Team at Maine Island Energy
