BREWERS & STROUTS - STATUS UPDATE

DOCKS ARE OPEN - WELCOME BACK!

**** GOOD NEWS ****

**BOATING - A PERFECT 'SOCIALY DISTANT' ACTIVITY -
GET OUT & ENJOY IT!**

We are continuing to uncover, launch, commission, paint bottoms,
step masts, and complete winter work.

IF YOUR BOAT HAS ALREADY BEEN LAUNCHED:

**STROUTS CUSTOMERS: Parking is now OPEN for the SEASON
for Slip and Mooring Customers Only!**

**BREWER CUSTOMERS: Parking is allowed in the yard on weekends, for
slip & mooring customers only. ALL CARS must be removed by 8 AM
Monday.** Cars in the yard after 8 AM Monday will be towed at owners expense. The
yard remains on lock down Mon - Fri, while we continue to move and launch boats
to clear areas for parking. The driveway 'barrier rope' remains in place - lift one end,
drive through and close it behind you, same when exiting, THANKS!

We are hopeful that PARKING at Brewers during the week will be open on June 15th.
Wherever possible, we encourage you to carpool, or drop off family and gear.

**FUEL DOCKS ----- OPEN 8 - 5 EVERY DAY
ICE (Curbside only - no Self-Service)**

SAFE BOATING requires 6' of space between people, and wearing a mask on the
premises. One person on the ramps at a time.
