BOARD OF OVERSEERS

Approved: 2/15/2020
Version: 2.2

Trash Collector Job Description

The Island Trash Collector is appointed annually by the Board of Overseers and is responsible to the Board of Overseers.

1) Job Requirements:
   a) Must be at last 16 years of age
   b) Must have a valid US driver license
   c) Must be able to lift 40lbs and move full rolling barrels up and down ramps at all tides
   d) Must wear work boots and work gloves when handling trash

2) Schedule:
   a) Pick up trash once a week during regular season and once a week off-season as long as the Island ferry is running; twice a week if needed for holiday weekends
   b) This general schedule may be adjusted by the Board of Overseers

3) Duties and Responsibilities:
   a) Weekly roadside pickup of suitably bagged household trash collected into barrels
   b) Coordinate for pickup at South Freeport Town Landing with trash disposal contractor
   c) Work with the Transport Assistant to handle trash barrels to and from mainland
   d) Transport trash in barrels from Island onto ferry and from ferry to the contracted trash collector on mainland*
   e) Clean and return barrels from mainland onto ferry and from ferry to Island storage
   f) Maintain appropriate care and cleaning of Island truck or tractor/trailer
   g) Clean up around trash storage and transit lines
   h) Arrange for Alternate Trash Collector when not available to perform duties and notify Superintendent prior to coverage
   i) Pay Alternate Trash Collector for duties covered
   j) Comply with all provisions of the current motor vehicle and equipment use policies that apply to the Island vehicles
   k) Operate the Island vehicle in a safe manner and at moderate speeds not to exceed 10 MPH at all times

4) Alternate Collectors:
   a) Must meet all the requirements of the Trash Collector's job
   b) Must be willing to perform all the duties of the Trash Collector

*Island Ferry personnel do not handle transport, loading or unloading of trash barrels. No riders on ferry when trash is being transported.
