## **Trash Fee Rates**

- **Up to Two Bags per Week per Cottage**
  - No charge unless bag exceeds weight of 25 lbs and/or bag is not secured properly, and trash is spilling out. Cottage owner will be responsible for any fees charged due to excessive bags, excessive weight or any spilled bags requiring clean-up.
  
- **Over Two Bags per Week**
  - There will be a \$10 per bag charge for each bag over the two-bag limit, per cottage.
  - Payment should be made in advance or at time of pickup to the Trash Disposal Coordinator.
  - If payment arrangements are not made in advance, the cottage owner will be billed for the extra bags and assessed an additional \$10 administrative fee.
  - All checks can be made out to the Bustins Island Village Corporation, or cash can be given directly to the Trash Disposal Coordinator.
  
- **Off schedule pick ups**
  - If trash needs to be left on the roadside on any day other than Sunday (or Monday holiday when applicable), arrangements for pick-up should be made with the Trash Disposal Coordinator.
  - A fee of \$15 will be charged for an off day pick up. Any bag over the two-bag limit will be charged the regular \$10 per bag fee.
  - If prior arrangements are not made, and trash is left out on any day other than Sunday, trash will be picked up regardless to prevent animals from getting into the trash and creating a larger problem for island residents. As a result, the cottage owner will be charged an additional \$25 for this service in addition to the standard \$15 rate and \$10/bag over the two-bag limit.
  - All checks can be made out to the Bustins Island Village Corporation, or cash can be given directly to the Trash Disposal Coordinator

As always, we seek the cooperation of all island residents, guests, and renters. Our goal is to keep a clean and safe environment for all to enjoy.
