

Bustins Island Village Corporation

Established 1913

Building Permit Application

Fee Minimum \$25.00, Renovations \$10.00 per \$1,000.00, \$.20.00 S.F. for new building.

Conditional Use Permits additional \$ 75.00

Make check payable to the Bustins Island Village Corporation and mail with completed application to:
Bustins Island Village Corporation, 240 US Route 1 Unit B1 #1011 Falmouth ME 04105
The CEO may be reached by telephone at 207-615-3446 or email ceo@bivc.net.

Please be advised that your application may be denied because a) the proposed construction is in the Shoreland District and would require a Conditional Use Permit and/or b) it violates the Zoning Ordinance and would require one or more Zoning Variances. In such cases, you can request that this application be automatically forwarded to the appropriate board(s) for consideration by checking the appropriate space below. You will be advised if additional information is required.

(We enforce the 2003 IRC Building Code)

() Yes, please or () **No, please do not** forward this application to the Bustins Island Planning Board if a **Conditional Use Permit** is required. I am aware that the fee increases to \$75.00, that a public hearing is required and that I may be required to furnish additional information.

() Yes, please or () **No, please do not** forward this application to the Bustins Island Board of Appeals if one or more **Zoning Variances** are required. I am aware that the fee increases to \$100.00, that a public hearing is required and that I will be required to file a separate application for the necessary variance(s) with the Board of Appeals along with a survey and any other information that Board requires.

GENERAL REQUIREMENTS FOR A BUILDING PERMIT

1. Submit a completed building permit form along with:
 - a) (2) sets of construction prints, **11" x 17" preferred**, with sufficient clarity to determine code compliance (applicant gets (1) approved copy returned.) *Floor plan, structural details, and elevations.*
 - b) A Plot Plan showing the proposed and existing construction location and measurements all property lines and any existing septic and well location, and separation distances between.
 - c) New buildings and additions of any size that change windows, doors, and or any structural element require a building permit review by the code office.
 - d) Any construction in the Shoreland Zone (250' from Highest Annual Tide) requires a Conditional Use Permit issued by the Bustin's Island Planning Board.
2. Submit (3) copies of completed Subsurface Wastewater Disposal System application. (New home, bedroom additions; when applicable.)
3. Submit (1) copy of recorded Deed. (when applicable)
4. All subcontractors must fill our respective permits and request required inspections.
5. Any conditions mandated by the Project Review Board and/or Board of Appeals must be completed before the application for a Building Permit will be processed.
6. The applicant is responsible for researching all deed restrictions, covenants, which may affect their property over and above standards.
